Commissioner for Patents

In response to a telephone conversation with Todd Rosson (paralegal to Andreas Grubert reg. #59143) on 2/3/09, please find attached PTO-892 including the three foreign patent documents that were filed by applicant 2/5/2007 and considered during prosecution. It is noted that that their document numbers were incorrectly typed on the IDS filed 2/5/2007 and therefore lined through.
